

ORIENTAL and PACIFIC BOXING FEDERATION

Dear Delegates,

First of all, it is my great honor to work with you on OPBF.

As OPBF is one of the oldest boxing federations, my focus is to raise brand positioning on OPBF and have more activities in Asia and Oceania regions.

One of the important things is to have updated and fair ratings of OPBF. I would like to make sure that we get updated information on each active region which we can consider when we hold the monthly rating meeting. Therefore, in order to make more efficient ratings, I would like to ask for your support. I would like each representative on each region to submit a monthly update on each region by the END OF EACH MONTH starting next year, January of 2019.

We will then make a draft and send it to you around 5th of the following month and we can communicate on our draft if there is any issue.

Please use the format attached for each weight class rating and send it back by the end of each month. Please make sure to put the month and which regions with the name of the person who prepared the regional rating.

I would also appreciate it very much if you can also let me know if there is any issue or idea that you may want to share with me at any time.

Thank you very much for your cooperation.

With regards,

Tsuyoshi Yasukochi
